

The official character list for **Stephen Gregg's play, *Ghostlight***, consists of the following key figures at Doves Forge Academy:

Main Characters

- **Garbiela Nettles**: The indifferent protagonist who is inexplicably admitted to a prestigious academy and begins hearing ghost echoes.
- **Fantine**: An upbeat student who is incredibly eager to become friends with Garbiela.
- **Clovis**: A student who already has a firmly established best friend.
- **Mogpin**: A uniquely quirky and fiercely loyal friend.
- **Ruth**: A fellow student who actively wants to be more than just friends.
- **Cara**: A highly committed and intense method actor.
- **Colby**: An actor who unfortunately possesses a complete black hole where stage presence should be.
- **Billiam**: A driven character who stays hyper-focused on one very clear goal.
- **Kelvin**: A student known for having fast legs and incredibly fast, sensitive ears.
- **Maunder**: A struggling actor who is still trying to learn their lines.
- **Riley (The Oasis)**: A remarkably calm, steady, and peaceful presence.
- **Freya McSlane**: A character from the past who famously coined a specific phrase.

Supporting & Ensemble Roles

Depending on the specific production's casting, the show also features several flexible ensemble and supporting characters: [\[1\]](#), [\[2\]](#)
